MEMORANDUM FOR THE ADVISOR FOR MANAGEMENT

SUBJECT: Organization of a Recreation and Welfare Association

1. Pursuant to an oral request from your office we have reviewed reference file and canvassed the O/NE staff for reactions to the proposal.

2. The consensus is that the proposal is a good one if there is genuine demand for such an association. In O/NE we were unable to find any who felt a need for organized recreation, each preferring to provide his own.

FOR THE ASSISTANT DIRECTOR FOR NATIONAL ESTIMATES:
